

Message from Your ACHE New Hampshire Regent  
Spring 2023

Dear ACHE of Northern New England Members,

We are excited to announce that our Chapter has a new name! With the support of our membership we are now officially known as "ACHE of Northern New England." This change reflects our commitment to serving healthcare executives in the broader region, encompassing the states of Maine, New Hampshire, and Vermont. We believe that this expansion will foster greater collaboration and knowledge sharing among professionals in our industry.

We would like to express our deepest gratitude to Chapter President Michael D. Peterson, FACHE, for leading the effort to change our name. His dedication and hard work have been instrumental in achieving this milestone. We would also like to extend our appreciation to ACHE President and CEO Deborah J. Bowen, FACHE, CAE, for authorizing the name change within the context of our chapter agreement with ACHE. Their support and guidance is a reminder of the strength of the partnership ACHE maintains with its Chapters throughout the country.

I would like to take this opportunity to thank all of you who attended our recent in-person Face-to-Face educational event in Concord, NH on April 21, 2023. Your participation made the event a resounding success. We remain committed to providing cost-effective educational programs locally, ensuring that our members have access to valuable learning opportunities close to home.

Looking ahead, we are excited to share that we will be announcing the dates for our marquee fall events very soon. One of the highlights will be our annual "Shaping the Future" conference, which will take place at the University of New Hampshire. This event has consistently offered valuable insights into emerging trends and strategies shaping the healthcare landscape. Additionally, we are planning another Face-to-Face educational session prior to our annual meeting, providing an excellent opportunity for networking and professional development in a concise two day event. Find the list of upcoming events [HERE](#).

As we enter the summer season, we extend our warmest wishes to all of you. We hope that you find time to relax, rejuvenate, and spend quality moments with loved ones. We look forward to reconnecting with you in the coming months and continuing our mission of advancing healthcare leadership excellence in Northern New England.

Sincerely,

Tate Curti, FACHE  
Regent for New Hampshire
