

Message from your ACHE Regent  
Spring 2024

Greetings, New Hampshire ACHE Members,

As we transition through the spring season, I extend warm greetings to each of you. I hope you find time to rejuvenate and do what fills your cup.

Spring is an exciting time for ACHE, as the ACHE Congress on Healthcare Leadership is held in March. This provides the opportunity to gain knowledge and network, creating collaborative relationships that continue once you return home. I would like to recognize our New Hampshire member colleagues who attained Fellow status in 2023, and attended one of the largest recent convocations at Congress on March 24 in Chicago.

- **James A. Patry, FACHE**
- **Daniel E. Rice DNP, FACHE**

Congratulations James & Daniel!

Also at Congress, one of our own Chapter members, Karen F. Clements, RN, FACHE, receives an appreciation plaque from ACHE Chair William P. Santulli, FACHE for her service as Governor of District One for the past three years. Thank you for your service, Karen!

For more details on educational and networking events, please visit the chapter website for [ACHE of Northern New England](#).

**“The beautiful spring came: and when Nature resumes her loveliness, the human soul is apt to revive also” -Harriet Ann Jacobs.**

Best Regards,  
Michelle
