

Greetings Potential Partner,

ACHE of Northern New England sponsors provide critical funding that makes it possible for us to deliver on our mission of providing education, professional development, and leadership programs, mentoring and networking, plus scholarship support to our members.

For over 87 years, the American College of Healthcare Executives (ACHE) has focused on one mission – advancing leaders in the field of healthcare management excellence. We are the professional home to more than 48,000 healthcare executives who are committed to integrity, lifelong learning, leadership, and diversity and inclusion.

The ACHE chapter of Northern New England strives to meet the professional, educational, and leadership needs of its members; to promote high ethical standards and conduct; to advance healthcare leadership and management excellence; and to promote the mission of the ACHE for our members in Maine, Vermont, and New Hampshire. To meet our mission, we focus on:

- Promoting professional interaction among individuals with management responsibility in healthcare organizations and healthcare-related agencies, and faculty and students of healthcare-related undergraduate and graduate programs.
- Promoting and fostering the advancement of leadership and competency in healthcare management by providing educational opportunities for leaders and early careerists in healthcare-related management fields
- Promoting networking and a collegial atmosphere among its members and other health-related professional organizations

Despite ongoing healthcare challenges, 2024 was a strong year for the ACHE chapter of Northern New England. We grew our chapter by welcoming 68 new members, bringing our total membership to 544 leaders from across the region. We were the recipients of the Award of Chapter Merit from ACHE for the advancement of members to fellow status in 2021. Annually, we provide at least three in-person and multiple online educational offerings for our members.

As we strive to provide our local healthcare community with additional opportunities in 2025 and beyond, we respectfully invite you to join the many healthcare systems and industry partners that have chosen to generously support our mission.

Benefits of sponsoring the ACHE of Northern New England include annual exposure and opportunities to build one-on-one relationships through various ACHE of Northern New England events, creating connections with local healthcare leaders, opportunities to gain new insight into your strategies, programs, products, and services by participating in

educational and networking events, and have an online presence through ACHE of Northern New England's website, event emails, and newsletters highlighting our corporate sponsors with direct links to sponsor websites.

In addition to annual sponsorship, there are opportunities for event-specific sponsorship that we would be happy to discuss with you. As an event sponsor, your organization would receive two complimentary registrations for the event.

We've made it even easier now to sponsor our Chapter by processing your payment online! Simply go to <https://nne.ache.org/sponsors/sponsorship-opportunities/> and click at the "Make a Donation" button at the bottom of the page. If you'd prefer to process via traditional methods, you can submit a donation form on that same web page. Thank you in advance for your consideration!

Michael D. Peterson, FACHE
Chapter President (2023-2024)
